RFP#2016-001
Addendum No. 3
February 15, 2016

Change in the Request for Proposals Section IV. –Specifications Subsection B. Technical Specifications to reflect the following:

B. TECHNICAL SPECIFICATIONS

1. Organizational Experience

Offerors **must:**

a) provide a description of relevant corporate experience with state government and private sector. The experience of all proposed subcontractors **must** be described. The narrative must thoroughly describe how the Offeror has supplied expertise for similar contracts and must include the extent of their experience, expertise and knowledge as a ~~provider of financial audit and compliance services~~ on-call engineer. All ~~financial audit and compliance services~~ on-call engineer provided to private sector will also be considered;

b) indicate how many public and private sector ~~audits have been performed in the last two years~~ on-call engineering contracts your firm has currently and what percentage of business revenue is derived from public and private ~~audit engagements~~ on-call engineering services;

c) describe at least two project successes and failures ~~of financial audit and compliance services engagements~~. Include how each experience improved the Offeror's services.
